With more than 20 people in attendance, the purpose of the meeting was to introduce the committee members and discuss the initial plan and outlook for the building of the new church.

The second meeting of the committee was held on Monday, February 2<sup>nd</sup>. The purpose of this meeting was to review and discuss the architectural plans and layout to ensure that all members are well informed before determining next steps.

Next scheduled meeting is Tuesday, February 17<sup>th</sup> at 6:30pm at the Community Center.

## SUB-COMMITTEES

The committee has formulated a number of separate sub-committees that will play a key role in the success of this project. Although there are more than 30 individuals who have already volunteered to participate, the committee encourages anyone and everyone who is interested in offering their time and talents to sign up for one or more of the following sub-committees.

1. Building Committee
2. Finance Committee
3. Pledge Committee
4. Fundraising Committee

Once again, everyone is encouraged to participate and be part of this exciting time for our community.
